13 lb	2.58	.047
12 lb	2.64	.037

DESIGN INTENT:

The !Q Tour A.I. brings the control found in the solid !Q Tour, but with a hybrid twist. The R2S Hybrid cover, renowned making the !Q Tour Fusion such a fan favorite, gets a fresh spin in this modern form. Power Edge polishing compound provides an elevated surface performance never before seen on an !Q series ball. This finish offers the perfect solution for maintaining/maximizing your ball's surface, ensuring peak performance every shot. The C³ legacy collides with A.I. innovation - creating one of the most exciting releases of the year. The C³ weightblock, already a contender with its low RG and medium differential combo, is further refined thanks to the addition of the A.I. outer core. This upgrade elevates ball dynamics and pin carry to new levels.
