DESIGN INTENT:

Storm and Norm Duke are synonymous with high-performance, but not everyone is in the market for premium performance. The Ice Series is perfect for recreational bowlers just getting their feet wet or the seasoned veteran needing a straighter option for spare shooting. The Norm Duke Clear's Hex Core provides increased dynamics compared to a traditional 3-piece core, yet will still be very predictable. The clear polyester cover, with vintage/stylish Norm Duke inspired logos, ensures low friction paired with durability that other materials just can't offer.
