TYPHOON™

PRODUCT DETAILS:

COVERSTOCK: Reactor™ Pearl Reactive

WEIGHT BLOCK: Atmos™ A.I. Core

FACTORY FINISH: Power Edge™

COLOR: Royal Purple / Steel

FLARE POTENTIAL: Medium - High

FRAGRANCE: Grape Punch

AVAILABLE WEIGHTS: 10 - 16 lbs.

PRODUCT SKU: VTY

	RG	DIFF
16 lb	2.53	.042
15 lb	2.53	.042
14 lb	2.53	.039
13 lb	2.58	.047
12 lb	2.64	.037
11 lb	2.73	.012
10 lb	2.77	.015

DESIGN INTENT:

The Typhoon is a calculated entry into the Hot Line designed to deliver a powerful reaction on medium-light oil. Featuring the ever reliable Reactor Pearl coverstock, the Typhoon has a natural ability to create length through the front part of the lane. This allows the ball to maintain energy for a strong backend. The Power Edge finish helps reduce early friction, allowing for a clean and crisp reaction as it transitions into the backend. The driving force inside the ball is the Atmos A.I. Core. Featuring a core shape inspired by the Tropical Heat, the configuration of this core promotes balanced RG/Diff values which gives you the perfect combination of length and mid-lane predictability. The higher RG helps keep the ball on its intended path longer while the moderate differential ensures a consistent motion off the end of the pattern.
